Dutch Danielle's one that demands her sexual freedom. Although she wears an apron in the kitchen, she wants her man to do the work. She'll offer her body to their pleasure, but hers must be satisfied as well. If that doesn't happen, no home-cooked dinner tonight.

Dutch "I can get pretty naughty when it cums to sex. I'll do whatever it takes to get myself off, even if it means I have to fuck my toys when there's no guys around. But

Divine songstress
Karen Summer
has a favorite
song: "I'm a little
sexpot short and
stout. Here is my
pussy, where is
your cock. When
I get all worked
up I just shout,
'roll me over and
fuck my pout!'"

Karen

"You know how you get a song stuck in your head and it just won't go away no matter how hard you try. Well that's what it's like for me when I'm getting fucked. All my mind will say is 'Fuck me harder' over and over again. Now that's something to get stuck on!"

ANAL ANNIE

I'm a bit on the plump side – not fat – for 50, just a little rounded, but everyone thinks I'm very pretty, though – I've been told that by many people. I guess they like my dark blue eyes and my waist-length blonde hair. I have small-ish boobs, but guys always seem to go for girls with massive melons.

I mentioned this to my boyfriend. Jim said, "Don't worry. I wouldn't change a thing about you, Annie. Really." He kissed one of my pink nipples, making it stand up stiff.

"Really?"

I smiled. No guy had ever said that to me, but then Jim isn't just a guy. He has a great job at a famous news network. We'd been seeing each other for about six months, and had fucked dozens of times. It was fantastic, too—he's tall and hard-muscled, and has the longest, thickest cock I've ever seen!

We'd just finished fucking. We had a steady routine. He'd eat my pussy until I came; then he'd slip his massive cock into my incredibly wet box. We'd fuck until he came – sometimes only a matter of minutes. Then maybe I'd suck his cock while he licked my pussy again. Jim told me that the sight of my body drives him nuts, and that

Feeling the Love:

It's crazy that just one lady can turn you on while others barely can raise a pulse. For me, that one lady is Brandi Love, and I just love Brandi Love. I have bought all the issues you guys have printed with her in them. I think you made big mistakes by not having her on the cover of every one of them. But I won't hold it against you, if you keep on giving us good photo layouts of her. And if I can make a suggestion, why not devote an entire issue to her. She's a goddess and would definitely deserve one. I think it could even be a best seller for you. I know that I would buy at least four or six of them, and my nephew would buy another three, and the floor manager would buy a couple if not more. And then, there's Johnny that lives down the street and my next door neighbor, Fred, would by a couple more. See, instant best seller! - Billy Joe, Memphis every time he thinks of me he gets a hard-on – even at work. What a sweet thing to say!

He let one hand wander down my body until it reached my overheated pussy. His finger slipped inside me, and idly Jim finger-fucked me. I could barely concentrate on what he was saying —I felt so alive!

"You know, honey, we've tried just about everything," he said. I nodded as his finger picked up rhythm; I started moaning. "But there's one position we haven't tried yet."

"Oooo, yesss, what's that, baby?" My hips moved and my pussy clamped down on his finger, sucking it in deeper.

Now he fingerfucked me with two fingers. My eyes rolled back in my head, and my moans deepened! "Let me show you!" He pulled his oil-slicked fingers out of my pussy, then asked me to get up on all fours.

Doggie style? I wondered about that – I mean, we'd done that on our second date. I had this book with all these different sexual positions, and we'd been trying two or three every time we got together.

One hand parted my butt-cheeks. He slipped a finger back into my hungry pussy and greased it up good. Then he poked at my asshole.

"Oh!" Startled, I raised

my head.

"Afraid?"

"Well, I've never done anything like this before."

"I know, baby. But all the guys at work tell me how they love to fuck their girls in the fanny. I thought we'd try. The guys say there's nothing like it."

His finger was in up to the first knuckle now. He pushed deeper. I was so tight back there that I didn't see how he could get his finger in all the way, but somehow he did.

"C'mon, baby, relax." He pulled his finger out, then pushed it in, and pumped in and out of my butt. I admit it felt strange — in fact, it hurt a bit — but after a while I liked it. I squeezed my butt, clamping down on his finger.

"Yeah!" He slid his finger out, then put three fingers in my aching pussy and greased them up. He lubed his cock with my pussy-oil, then pressed the purple knob of his cock against my butt's hole.

"Oh god, Jimmy, that thing is so huge compared to your finger. Can you even get it in?"

"I'm gonna try, honey." He gritted his teeth. His cock slowly pressed into my butt-ring, widening me a bit.

Oooo, that was painful, all right, but it felt sexy, too. I shifted my hips and felt his cock slip a little deeper into my back channel. Inch by inch Jimmy plowed his way deeper into my tight virgin ass, until suddenly his balls slapped against my plump cheeks.

"Oooo, baby, you're so tight. God, even your pussy

wasn't this tight when we first did it." His hands grabbed my hips. He eased about halfway out of my butt, then slammed his cock all the way.

"Jimmy, fuck me good back there!" I screamed, feeling my pussy drip.

He drilled my eager butt, filling me with that immense cock of his. He pumped harder and harder as I rode his solid pecker. It filled me like I'd never been filled before! One of his hands crept around to my pussy, and he started fingerfucking me while he buttfucked me. I didn't think it could get any better than this! I grabbed my nipples and twisted and tweaked them, my breath ragged.

Jimmy really reamed my ass as he kept on and on fucking my fanny. He'd never held back this long, and I was beginning to wonder, when suddenly I felt him explode. His hot jism spurted up inside my horny ass. He kept pumping and filling me up, and in fact, he squirted so much jism inside my hot anus that it began to drip out—I couldn't keep it all in. I squeezed my butt muscles, and he practically sobbed. Then he was bringing me to orgasm with his finger in my pussy, and I cried out.

We collapsed in a sticky heap on the bed with his cock still buried between my ass-cheeks.

"Baby, that was the best ever," he murmured as he nuzzled my ear.

"Oh, I think so, too, Jimmy."

"You were so tight—and when you squeezed! God, I thought I was gonna die."

"Where'd you get all that jizz?"

"I've been saving it up for your big beautiful butt," he said as he licked my ear.

"You gonna take it out?" I asked, not that I really minded. I liked feeling his cock inside me, even though it was kind of limp now.

"No, baby, I'm gonna keep it there. It likes your ass, and you know what? I'm

gonna recharge my batteries and fuck your ass again."

Which he did. And now that's just about all the sex we have—he loves to fuck my ass, and I love having that hard pole jammed deep inside my coal chute. I tell you—there's nothing better.

HANDLING THE RIDE

Somehow I knew she was hot and horny the minute she stepped onto the bus. I just couldn't believe my good luck when she took a seat right next to me. We made small talk until the lights went off and the bus pulled onto the highway. She told me she was on her way back to school after being home for Spring Break. But believe me, I never expected the trip to be as exciting as it was.

As soon as the bus was on the road, she inched up her skirt and peeled off her panties. I couldn't believe what she was doing when she also unbuttoned her blouse, giving me a clear look at her pert young tits.

"Like what you see?" she teased.

"Definitely," I replied, caressing those sexy young tits. I squeezed them, then rolled and tweaked her stiff nips until she moaned. She leaned back on her seat, closing her eyes and spreading her legs wide. I didn't need any more invitation than that! I quickly slipped a hand between her thighs, probing and poking at her horny flesh.

She bucked her hips upward, grinding her hot, wet slit against my hand. I rubbed her clit, making her hotter than before. "Such a horny little pussy," I whispered.

"Oh yeah, don't stop," she groaned.

But that was exactly what I did do. I pulled my hand away. "Me first," I taunted.

She groaned, obviously frustrated, then rested her hand on my thigh. She hesitated for a moment, then boldly sought out the swelling bulge in the front of my jeans. She squeezed and massaged my cock until it was straining against the stiff denim. Before I knew what was happening, she was tugging at my button fly. One by one, the buttons popped open until her hand could slip inside. She held my cock firmly in her hand, then stroked along the stem from the circle of red hairs at its base to the wet, sticky head.

She was slow and methodical, gently squeezing the tip until a tiny drop of pre-cum oozed from my slit. She swirled her palm over and around my most sensitive flesh, smearing my juices and making my aching balls churn in anticipation. I hadn't blown a load in weeks, and I wasn't going to wait much longer.

Then her hand dived back into my briefs, capturing my boiling balls. She rolled and bounced them gently, sending goose bumps up and down both of my legs. I adjusted my rear end on the seat to give her easier access to my cock and balls. She played with them like they were a new toy and she was a kid on Christmas morning.

Finally she returned her

attention to my quivering cock, stroking up and down the thick stem until pre-cum trickled down my length. I almost jumped off the seat as she ran her thumb through my gaping slit, teasing and tormenting me until I didn't think I could hold back a moment longer. This girl was definitely experienced! She knew exactly what to do to pleasure a man.

"So hot and hard," she whispered as her hand moved rhythmically up and down my stem. Her fist clenched tight, like a fresh virgin pussy, my juices making it just slick enough that my cock slid easily through her fingers.

I couldn't hold back. I bucked my hips, grinding my cock into her fist, harder and faster than before. I was so close. My entire body was on fire. The heat spread slowly as my load coursed through my cock and exploded against the back of

the seat in front of me. The white, sticky goo trickled down over the black leather, and a puddle formed on the floor between my feet.

She quickly took a handful of tissue from her pocket and wiped off my cock. She helped me stuff it back inside my jeans, then turned to me impatiently.

"Well?" she demanded finally.

I looked up at her and smiled, then let my hands wander over that luscious young body. No one would ever believe this had really happened, I thought, as I played with her tits, pinching and tweaking the pink peaks until she moaned and squirmed in her seat.

"Make me come," she begged, spreading her legs wide one more time.

Her skirt was pulled up almost around her waist, so as the streetlights streamed in the window, I could clearly see her shaved slit and winking little pussy-hole. I let my fingers rub lightly up and down the slit, then circle the hot flesh. She moaned again and bucked her hips. Teasing her was exactly what I intended to do.

She relaxed back on the seat when I exerted more pressure, firmly caressing her fiery flesh. "Oh yeah," she groaned. "That's the way. Don't stop."

I kept playing with her clit, rubbing, then gently pinching the tender flesh. I could feel the heat building up inside her, so I began to fingerfuck her slippery little pussy. She squirmed in her seat, throwing her head back as waves of pleasure washed over her. I paused for just a moment, then once again pressed my hand to her hot slit. I rubbed gently, bringing her to a second climax. Her entire body trembled, and she moaned again.

When she was finished coming, she looked over at me and smiled. Then she pulled me close and pressed her lips to mine. "That was so hot," she said.

"Yeah, for me too," I agreed. "Maybe we'll be able to do some more before we get to Boston."

"Maybe," she said, then turned away with a wink.

We know you like what you're looking at. Sara Jay is a stunner with an insatiable sexual appetite that hasn't seemed to be quenched after all these years. She wants to know if you would fantasize about her?

She asks you if you want that to be your cock in her hot moist pussy. Make her your play pal and she'll take you for the ride of your life! What are you waiting for?

"I have always admitted to being a sexual animal. When asked what I wanted for my 50th birthday, I said 'I want an anonymous big and ultra-hard cock that I can suck and fuck." Elektra Martin loves birthdays and we found a friend that likes them too.

"But wait, I'm online right now. Go download the video and get some tissue. You're going to need it as you watch me do this hard guy. I'm so horny right now I may just not wait for you. He's very anxious to cum."

A young intern learns the real way to get ahead in the business world

my big assignment

"YOU'RE A PRETTY GIRL. MY COMPANY COULD USE SOMEONE LIKE YOU."

My senior-year internship at Mutual Insurance had been going really well. At the age of 19 I was learning a lot, meeting cool people, and even getting paid. When my supervisor, Linda, asked me to accompany her on a business meeting downtown, I was elated. Even though I was still dressed in my school uniform, I felt like a businesswoman as we rode the taxi to the hotel where our clients waited.

Linda was dressed in a pin-striped suit with black nylons and high heels. Her straight black hair was pulled behind her ears. She's taller than me and way

more shapely, and I was kind of in awe of her sophistication.

"You'll do fine," she said as we rode the elevator. "You're energetic, young, and attractive. Those are all qualities you can use to your advantage."

Mr. Bertucci (not his real name), owner of a supermarket chain insured by our firm, ushered us into his lavish suite. His two assistants, Nick and Jim, were there; both looked to be in their mid-thirties. They were dressed in proper gray business suits, tall and well built.

They immediately sat down with Linda at a coffee table buried in files.

Alberto Bertucci, company president and CEO, gave me a warm smile and kissed my hand. He was a squat, balding man dressed in casual slacks and a T-shirt. He seemed little concerned with business matters but kept staring at me.

"All this stuff bores me stiff," he finally said, tak-

ing my hand and walking me around to see the other rooms. We ended up in this huge bedroom—yes! A bedroom in an office—with a gigantic oval bed. We sat on the bed, and he began to pat my thigh in an offhand way, asking me about my senior year and where I would work after finishing college.

"You're a pretty girl," he said. "My company could use someone like you."

As he spoke, his hand slid up my plaid, pleated schooldress. "I guess I better see if Linda needs me," I said. I stood up and opened the bedroom door.

What I saw in the living room practically made me fall to the floor.

Linda was kneeling on the sofa, naked except for her high heels and nylons. Nick, the older assistant, was fucking her doggie-style, slamming his hard cock into her pussy, while Jim slid his own saliva-slick rod into her eagerly sucking mouth. Linda's hair had come undone, and it fell in disarray around her shoulders and face as the two cocks pumped back and forth. The obscene sounds of their grunts and of their balls slapping against her ass and

chin sent a tingle of desire through my body.

"They seem to be having fun," said Alberto, embracing me from behind and kissing my neck. "How about us? Or do you find me unattractive?"

"No, of course not," I said quickly, not wanting to offend him.

He steered me back to the bed, somehow slipping off my red school blazer at the same time.

I bit my lower lip and stared down at the huge pole of flesh trying to enter me and thought no way! But he pushed in a little at a time, and I felt my pussy expanding so much, I thought it would split in two.

"You're so cute," he said in a lust-thickened voice, eyes riveted to my body. I wasn't sure what to do. He was so old, probably in his late fifties, that I figured he just wanted to get a look. I didn't stop him when he unbuttoned my blouse and flipped my bra up over my peach-sized titties.

He leaned forward and planted a kiss on each little boob. "They look so pretty! So innocent!"

He slurped each nipple into his mouth, drawing them both into fine, hard points, while his roving hands unzipped my skirt and slid it off my legs. I could see that he had a huge lump in the front of his pants, and I remember thinking that everything was going way too fast. But when he began nibbling my tits with his teeth, the erotic charge that raced through my body made me sigh and close my eyes.

I was wearing blue cotton briefs, and he was running his hand over the mound of my pussy. The thin fabric was getting wetter by the second. He skimmed off my panties, and his eyes lit up at the sight of my pussy. "What a flower! So soft—so pink!" He ran his fingers through my silky brown fringe of pubic hair, then knelt on the floor and buried his face between my thighs. He probed my slit with his fingers and licked the little opening to my pussy.

"Your pussy tastes delicious!" he exclaimed, peppering it with kisses, burrowing deep into my wet hole with his drooling tongue. With low, animal-like groans, he began to lap greedily up and down my pink slit. I could feel my sex-juices oozing out over his mouth. When he began to suck on my swollen clit, my mind started to reel. Wave after wave of erotic sensation flowed through my limbs. Alberto had left the bedroom door wide open, so I could hear the fuck fest in the other room. Their moans and grunts and cries of passion only served to heighten my own. Waves of fire danced through my belly as the old Italian licked and nibbled on my inflamed pussy like a starving castaway. Just before I was ready to explode, he suddenly pulled away, causing me to lunge my hips forward as if to follow his mouth.

Alberto stood and grinned as he unbuckled his pants. "The hot teenager is ready to come, no? Maybe you want some of Alberto's big cock?"

I rapidly nodded my head, the palpitating lips of my hungry pussy controlling my every thought and move. When he dropped his boxers, I couldn't help bleating out a cry of amazement. His cock was huge.

"Wow! You're, like, majorly big!" I gasped.

Alberto wrapped his fist around the thickened shaft of his throbbing organ, laughed as he pulled me tight against his body, and planted a slobbering kiss on my mouth.

"You excite me so much, I just have to fuck you," he said, grabbing the wrist of my right hand and bringing it to his cock. I was caught so off-guard by the size of his cock, I didn't know whether to laugh or cry. The sheer immensity of his flesh heated the palm of my hand, and my fingers fell short of encircling his enormous girth. Huge veins bulged around the shaft, and I could feel every pulse of his lust. There was a clear drop of dewy pre-cum oozing from the bulbous knob as I slid my hand up and down his shaft.

"Now onto your back!" he said, guiding me down onto the bed, positioning himself between my legs.

I was a little bit nervous because of his size, but my pussy was clearly aching to be filled. As he ran his hands down my legs, I felt a burning line of pleasure extend from my pussy all the way through my body. Then he put his hands behind my knees and pushed them back until they almost touched my shoulders. I sucked in my breath when I felt the tip of his cock make contact with my pussy.

"It's too big!" I cried as he tried to squeeze it into my little hole. He released my legs and moved swiftly to a cabinet drawer. From there he produced a tube of gel, which he slathered up and down the length of his cock. Then he hurried back, his cock waggling out from under his fat belly like the trunk of an elephant. Again he pushed my legs back, his hands encircling my ankle socks, and wedged his cock within the soft folds of my slit.

I imagined what it would feel like to have two guys doing me like Linda so I reached down between my legs and slid two fingers up into my pussy. That was easy to do because it was so gooey and stretched out.

"Ah, that's better," he grunted, cramming the massive knob into my hole.

I bit my lower lip and stared down at the huge pole of flesh trying to enter me and thought no way! But he pushed in a little at a time, and I felt my pussy expanding so much, I thought it would split in two. Just when I thought there was no way I could take more of it inside me, he shoved it in another inch.

"Oh god!" I yelped as I stared down at my tender pussy, the pink lips distended around his greasy shaft. I could feel every bump and ridge and pulsing vein on his cock. He began to take long, deep thrusts into me. My toes wriggled, my nipples stood erect in the air, and my whole body shook. Thankfully, my pussy began to flare and relax, and with that release of tension came little jolts of erotic pleasure.

Alberto starting blasting away at my pussy, his surprisingly vigorous hips a blur of motion. His big hairy balls kept slapping against my upturned asscheeks, and he sweated and grunted like he was running a marathon. All these delicious feelings I had never felt before started washing over my body. I wanted more of his cock—faster, harder, deeper. My lust-inflamed pussy seized his meaty shaft like a vise, and my inner walls spasmed as he angled his thrusts higher. His bulging shaft sluiced repeatedly against my clit. My whole body shook like it was going to burst apart, and I screamed out my pleasure, not caring who heard me. I guess it was my first real orgasm.

Suddenly he was sliding out of my pussy and telling me to turn over. I was all trembling and trying to

catch my breath, but I knelt on the bed in front of him. I could feel his hands spreading apart my ass, and I nearly jumped out of my skin when I felt his wet tongue lapping at my asshole.

"What are you doing?" I asked when he inserted a finger into my tight little butt.

"Your ass is perfect! I can see that it has never been fucked." I could feel an immense pressure against my crinkly little button, and I started to whimper and clutch at the satin sheets.

"Look in the other room. See how a real woman satisfies a man."

I turned to the left and saw that Bertucci's assistants had Linda sandwiched between them on the floor. One of them was rapidly licking her pussy, while the other pounded his meat into her raw-looking asshole. Linda was crying out with pleasure as both men fired into her body like well-oiled pistons.

As I watched, I felt my own backside being invaded by Alberto's enormous cock. I imagined what it would feel like to have two guys doing me like Linda so I reached down between my legs and slid two fingers up into my pussy. That was easy to do because it was so gooey and stretched out. I could feel Alberto's thick cock through the barrier of flesh, and that strange, wonderful sensation triggered another unexpected orgasm.

Alberto growled and nearly mashed his entire length of cock into my ass as I bucked wildly back to meet his thrusts. He started to curse in Italian as he grooved into me. Then, suddenly, I felt a flood of burning wetness spurt into my bowels. From the other room, I could hear everyone roaring and groaning. For a moment, it seemed like the whole world was one big orgasm. Alberto fired so much jizz up my butt that I could feel it dripping out the sides onto the bed.

We all lay there panting for a while. Then Alberto yanked his cock out of my swollen butt-hole and staggered over to a waiting bucket of champagne on ice. He poured drinks for everyone.

"A toast!" he said as the others joined us in the bedroom. "To Mutual Insurance's new agent!"

Everyone looked at me and clapped, Linda especially, and even though my butt and pussy were sore and tingly, I felt as proud as I ever had in my life. Maybe there was a place for me in the business world after all!
